Key Instant Recall Facts

Reception - Autumn 2

Recognise quantities, without counting, to 5 (subitise)

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Look at an amount and be able to say how many without counting e.g.

= 5

Key Vocabulary

number
amount
quantity
total
altogether

Look at where numbers are represented in amounts e.g. on playing cards or on dice.

Cover the numbers on playing cards and use them as flash cards. Guess the quantity. Count them to check.

Roll one dice (die) and say the amount.

Roll a dice (die) and then grab a corresponding quantity of toys e.g. toy dinosaurs.

Hold fingers up and shout how many are held up.

Look in places like fruit bowls and say how many there are. Then, count to check.

Play the 1-minute maths app by White Rose. The subitising games are fantastic!
