Week 5 (Autumn 1) – Our senses (mouth, nose and hands)

This week we plan to...

- Continue our **'All About Me!'** topic.
- Learn about our sense of taste, touch and smell.
- Read '**Who's Making the Smell**' and talk about smells we like and dislike.
- Practice our scissor control and cut out pictures of different foods.
- Use our sense of touch to explore different textures. Can we describe the object?
- Sing **'Twinkle Twinkle Little Star'** and join in with the actions.
- Draw a picture of my house. What does it look like? How many rooms does it have?
- Learn all about the concept **'loud'** and practice singing nursery rhymes loudly / not loudly.
- Practice playing instruments loudly (like a dinosaur) and quiet (like a mouse).
- Subitise amounts 1-3 and show these on our fingers.
- Recognise the colour **green**.
