

*Week 2 (Summer 1) – Travelling on water*

## This week we plan to...

- Continue our new topic '**Under the Sea**'.
- Discuss ways of travelling on water and read '**Brilliant Boats**'.  
Introduce new vocabulary specific to boats e.g., mast, sail.
- Use recyclable resources to make a boat. Does this float or sink? Why?
- Explore pushing boats down the guttering. Which boat is the fastest? What could we do to make the boat move faster?  
Would we need more water?
- Explore floating and sinking in the water tray. Why do some objects float and some sink? Use vocabulary heavy and light.
- Learn all about the concept **between**. Look at our coat peg and notice that it is **between** two coat pegs. Whose peg is **between**? Discuss who is sat **between** us during carpet time.
- Learn about 3D shapes e.g., sphere, cube, cuboid. How do they differ to 2D shapes?
- To make sailor hats and role-play going to sea. What might we see? Hear? Smell?
- Continue with our Phonics lessons!
