

This week we plan to...

- Continue our topic '**Space!**'
- Learn about the moon and stars by reading '**Fact Cat: The Moon**' and '**What are stars**'.
- Sing '**Twinkle Twinkle Little Star**' and join in with the actions. Explore singing this loudly and quietly.
- Create a starry night picture by printing stars. Can we make a repeating pattern?
- Make a moon picture by mixing black and white and print using crumpled up foil.
- Explore the feeling **excited**. Discuss what makes us feel excited. How does our body feel?
- Learn all about the concept **lots**. Look at our bodies, what do we have lots of? What do we have lots of in our house / the classroom?
- Learn all about number 9 and explore different ways of making 9 with Numicon.
- Learn about syllables and clap the number of syllables in our names e.g., Miss Mac-Kel-vie = 4 claps.
