

## This week we plan to...

- Continue our new topic of '**Let's go wild!**'
- Read '**A busy day for birds**' and talk about the features of birds.
- Make bird feeders and observe these in the Nursery garden.
- Collect sticks and leaves to build our own nests. What are nests for?
- Sing '**5 little birds**' and review one less. How many now?
- Learn all about the concept '**over**'. Build an obstacle course and climb over this. What else can we go over?
- Talk about height and measure ourselves using a height chart. Who is the tallest in the class?
- Order towers from shortest to tallest.
- Continue to learn our RWI sounds.
- Practice blending sounds together during Fred talk e.g., m-a-t .... mat, c-a-t .... cat.
- Practice writing sounds we have learnt and try to write these correctly.
