

This week we plan to...

- Continue our new topic '**The Seaside**' and share our experiences of what sea creatures we have seen.
- Read '**There's a hole in the bottom of the sea**' and discuss food chains.
- Watch '**A whale's tail**' and discuss how we can keep the sea creatures safe in the sea.
- Complete a class tally chart of our favourite sea creatures. Which has the most / least?
- Learn all about the concept **less**. Share food out between children, who has **less**?
- Explore **capacity** in the water tray. Can we make the containers full / half-full / empty / nearly full / nearly empty?
- Continue to understand alliteration. Can we identify two words that start with the same sound?
- Continue to blend CVC words together e.g., m-a-t ... mat.
