

Week 5 (Spring 2) – How do plants change?

This week we plan to...

- Continue our new topic '**Down on the Farm and Lifecycles**'.
- Read '**Once there was a seed**' and discuss what plants need to grow.
- Watch a bean-lapse video and discuss the changes we can see.
- Paint a picture of a sunflower and discuss their features e.g., flower, petal, stem, leaf.
- Order the lifecycle of a sunflower and discuss key vocabulary.
- Sing '**Horsie, Horsie, don't you stop**'.
- Learn all about the concept **quick** and explore moving animals quickly / not quick.
- Recap our careful counting to 10 and practice recognising numerals by sight. Can we match numeral to quantity?
- Continue to practice our rhyming – can we find our rhyming partner?
- Read '**Rhyming rabbit**' and can we identify the rhyming pairs?
