Learning

It has been a week full of Christmas celebrations that we have been delighted to be able to share with you. Our children have blown us away with how incredible they have been during their Christmas performances. Our youngest children performed bravely and enthusiastically in their production of "Our First Nativity". Year 1 and 2 produced the most professional performance of their Nativity "Starlight". The children spoke and sang clearly and confidently and were smiling all the way through (mostly)! They all looked stunning in their costumes and knew exactly what they were doing in both shows.

Key Stage 2 put on two really heartwarming carol concerts at Saint George's Church – a stunning venue. They performed a range of new songs along with some old favourites and produced the most beautiful sound. The readers retold the Christmas story articulately in front of a huge audience.

A massive thank you to all those who came along to support these events and to the staff for the hardwork and organisation that went into making these such a success.

Today, as part of the Learning Hub's 'Golden Time' treat the children made cheesy pesto pastry twists. After working hard in English understanding and sequencing instructions, they followed this yummy recipe and made these tasty snacks.

Free Santa Local Community Event

On Monday 22nd December Santa and The Grinch will be at Cafe Chad, St Chads Church Hall, Burcher Green, Comberton Estate from 9:15 to 11:30am. There will be a free chocolate gift for every child. Children must be accompanied by a parent or carer.

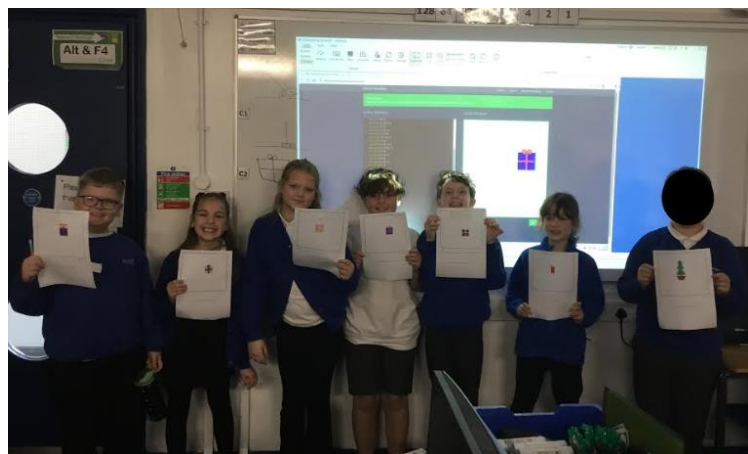

Christmas Jumper Day

The children looked fantastic in their festive jumpers and dresses today. Thank you for your donations – these will be sent to Birmingham Children's Hospital.

Christmas Dinner!

At Comberton we had our Christmas dinner day on Thursday. The children enjoyed festive music whilst eating their roast turkey dinner with a festive cookie for pudding. This was followed by some dancing in the dining hall!

Digital Leaders Visit

Our Digital Leaders had a wonderful experience this week visiting King Charles’s Secondary School. They were shown the new computing suite, given a talk by Mr Yarwood-Smith (Head of Computing) about what computing looks like at high school, spoke to some Year 8 pupils about their learning and favourite things about computing and had a go at using Python Turtle to write codes. They created their own Christmas themed designs and each received a certificate. They were brilliantly behaved and represented the school really well.

Pantomime

Please ensure you have read all communication regarding our pantomime trips next week – especially the need for a prompt and early arrival at 8:35am! The coaches will not be able to wait for any late comers.

Free School Holiday Activities - HAF Christmas 2025

Free School Meal eligible families are invited to book free activity sessions this Christmas. There’s lots on offer with various Christmas family events and activities including SEND provision... all free! All activity clubs include a healthy lunch.

Smoke Free Homes Service – NHS message

The Smoke Free Homes service is here to help you quit smoking. It's open to mums, dads, carers, and anyone who lives with a child or young person under 19 in Worcestershire.

You don’t have to quit alone! The friendly team is here to help with:

- Setting a quit date
- Access to free nicotine replacement therapy (NRT)
- Access to rechargeable vapes (for anyone over the age of 18)
- 1:1 or joint family support sessions with a trained advisor
- Ongoing monitoring and support for 12 weeks
