

Key Instant Recall Facts

Year 1 and 2 – Spring 2

Know number bonds to 20.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary

number bond

What is 16 add 4?

I have 3 how many more will I need to make 20?

Support

- Use practical resources – Use two plates and 20 items such as counters or pebbles. Split the 20 into the two groups and say how many is in each making twenty.
- Make a poster – We use Numicon at school. You can find pictures of the Numicon shapes here bit.ly/NumiconPictures your child could make a poster showing the different ways of making 20.
- Play games – Use the White Rose '1 minute maths' app. Play 'hit the button'. Available for free online or as a paid app. <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Worksheets available on the KIRF page of school website.

Challenge

- Ask the children to think more deeply $17 + \underline{\quad\quad\quad} = 20$
- Give the information as a true or false statement and ask the children to explain their answer. EG – Does $12 + 8 = 20$? How do you know?
- Create a poster showing the number bonds in different contexts. EG – drawing sweets in 2 groups (16 and 4).
- Play games – Use the White Rose '1 minute maths' app. Play 'hit the button'. Available for free online or as a paid app. <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Worksheets available on the KIRF page of school website.
