Congratulations and keep it up!

Learning

As part of National Science week, children across the school have been working their scientific minds! Thanks to Mrs Ilyas (our Science Lead), years 1-6 were treated to 2 days of visiting workshops from 'Hands on Science' where they took part in a whole range of practical science activities. These included: kitten rescue, elastic racers, CSI footprints, fireworks science, heart and circulation. Ask your child which workshop they took part in to find out more.

Children in Reception have continued to look at life cycles and as part of this, have thoroughly enjoyed having the ducklings come to stay with us. They were very sad to say goodbye but have learnt so much from watching them grow and develop over the past 2 weeks, showing real care and interest in the ducklings.

Year 2 have also been playing dreidel as part of their learning about the Jewish festival of Hannukah and scanning bar codes to find the prices of items in Computing.

Public Feedback

We received a lovely email from a member of the public this week to comment on the immaculate behaviour of our year 4 children as they walked back from swimming. The lady was sitting in the window of her house watching our children walk back and expressed how sensible and happy they were, following all adult instructions and taking crossing the roads very seriously. Well done year 4! It's great to get a compliment and just shows that there's always someone watching!

ISingPop

We have been offered a wonderful opportunity to take part in a very special performance. We have been nominated by Reverend Jaqueline Shalloe (our local Vicar and school Governor) to participate in this fully funded concert. Pupils in years 1-6 will take part in a series of singing workshops on 3rd, 4th and 5th June in school, learning a repertoire of pop songs rooted in British and Christian values. This will then culminate in a concert at St George's Church at 5:30pm on Tuesday 9th June, where a technical

team will have set up lights and sound to ensure a very memorable experience for all. Watch out for more information to come but save the date in advance!

Plea from Nursery

Nursery are in desperate need of some baby pushchairs, barbie dolls, action man figures and doll's house furniture after some of our supplies have been damaged in storage. If you have anything that you would be able to donate then we would be most grateful. Please send these into the office or directly to nursery. Thanks in advance.

HAF – Easter Activities

Free Exploitation and Vulnerability Training

West Mercia Police are offering a free exploitation and vulnerability training workshops to anyone living or working in Worcestershire. Available both online via MS Teams and in-person delivery, the workshops aim to cover the various aspects of vulnerability and the signs and symptoms of exploitation.

Parent and carer session (1 hour)

The exploitation and online safety session aims to raise awareness and provide valuable insights on how to protect vulnerable children. The session will cover:

- Spotting the signs that your child might be being exploited
- How to keep your child safe online
- How online influencers might be shaping the views of your child
- Practical tips for you to help to keep your child safe online

For more information including session dates and how to book a place, please visit the West Mercia Police website. If you have any questions or require additional information, please email trainerswdbc@westmercia.police.uk
