

Comberton Update

8.05.2026

**Comberton
Primary School**

*A caring community
for all to shine*

Attendance

Years 1-3 Class Winners – Year 3 – Miss Timmins with 96% - 3rd week in a row – WINNERS!

Years 4-6 Class Winners – Year 5 – Mrs Bennett with 96% - 2nd week in a row.

Congratulations and keep it up!

Learning

Children in year 3 have been writing some fantastic character descriptions linked to Charlie and the Chocolate Factory and Year 1 and 2 are very proud of their instructional writing about how to plant seeds. They all thought carefully about the different types of language and vocabulary they would need for the different purposes.

POEM ABOUT SATS

Unknown Author

SATS don't measure sports,
SATS don't measure art,
SATS don't measure music
Or the kindness in your heart.

SATS don't see your beauty,
SATS don't know your worth,
SATS don't know the reason
You were put upon this Earth.

SATS don't see your magic,
How you make others smile,
SATS don't time how quickly
You can run a mile.

SATS don't hear your laughter,
Or see you've come this far,
SATS are just a tiny glimpse
Of who you really are.

So sitting at your table
With your pencil and your test,
Remember SATS aren't who you are,
Remember you're the best!

Year 6 have been working hard revising ahead of their National SATs tests next week. We know that they will all try their very best and that is all that we can ask.

Please share this poem with your child ahead of next week.

We ensure that the children have a lovely week which includes bacon and sausage sandwiches for breakfast and lots of physical movement breaks. Afternoon learning time is kept light hearted.

Please ensure your child is in school and on time every day and contact the office ASAP if there is any reason your child cannot attend.

ISingPop

A reminder that if you would like your child to take part in the concert at 5:30pm on Thursday 9th June, please let the office know ASAP. There is no charge for taking part or watching your child and we would love to see as many children return as possible as they will have worked so hard during rehearsal the previous week.

Golf Experience Day

Thank you to Miss McKelvie for the organisation of our Golf Experience day. Children from across school took part in golf taster sessions, learning some fundamental skills. The children were so enthusiastic and staff were really impressed with how well they did.

We have had the most wonderful feedback from Stu Warren, the provider, who emailed to say:

"I just wanted to thank you and the team for making me feel so welcome — and to your brilliant pupils, who really brought the energy. It's such a great school with an amazing atmosphere!"

Following this, a group of year 4's attended a golf festival where they continued to develop their skills through a range of golfing activities and games with 12 schools from across the Wyre Forest. Staff commented on the immaculate behaviour of the Comberton children and how they stood out far beyond those from other schools – well done children. We are so proud of you!

KPSA Anti-Bullying Event

Our Year 5 Well-Being Champions and aspiring year 4s spent the day at St Catherine's Primary School with other children from across our KPSA schools. They completed the Diana Anti-bullying Award and will be implementing what they have learned back in school. We were incredibly proud of how they conducted themselves and the thoughtful contributions they made throughout the day.

KPSA Maths Competition

A team of our budding year 5 Mathematicians were chosen to take part in the annual KPSA Maths Competition at Cookley Primary School. Feedback from their Headteacher was "what a wonderful group of children – they were absolutely brilliant and their maths skills were second to none." They took part in quick fire mental maths rounds as well as problem solving rounds. Another proud moment for Comberton.

Crazy Hair Day – time to start planning!!

CRAZY HAIR DAY!

Show us your awesome hair creations on Friday 15th May

Messy. Arty. Funky. the crazier the better

Prizes available

£1 donations to enter

Order a pair of HOYA MiYOSMART Clear or Light Adaptive Lenses and get a **FREE PAIR** of HOYA MiYOSMART Light Adaptive or Polarised Sun Lenses!

Valid until 30th June 2026. For new and existing patients.

01562 822276

Myopia (short-sightedness) is becoming increasingly common in children and can continue to progress over time. While standard lenses correct vision, HOYA MiYOSMART lenses are clinically proven to slow this progression. Alongside this benefit, research shows that, for children who need them, wearing glasses can improve confidence, academic outcomes and mental well being.

If you're concerned about your child's vision an eye test is the best place to start and children under the age of 16 are entitled to a free NHS sight test.

Book an Appointment

What is Myopia?

HOYA MiYOSMART Lenses

Dates for next week:

Mon 11th May	Year 6 SATs week
Tues 12th May	
Weds 13th May	8:45 – 9am – Welcome Wednesday. All parents welcome to read in class.
