## Learning

It has been a wonderful last week of the half term at Comberton with a strong focus on learning outside of the classroom and creativity within the classroom.

Children in the hub combined their maths learning with their art learning and created pictures inspired by Kandinsky, taking care with their choice and positioning of shapes. Children in year 4 have been inspired by Georgia O'Keeffe and have created beautiful watercolours zooming in on particular flowers. The children are rightly very proud of their work!

Years 1 and 2 have had a really inspiring day of workshops from Florence Nightingale. This has really brought their history learning to life. The children took part in a range of activities and listened to tales from the past. Our children were knowledgeable and curious and thoroughly enjoyed themselves!

Our children in Reception went on an adventure today to Bodenham Arboretum exploring the great outdoors. We can't wait to hear all about it!

Year 6 are part way through their annual 3-day residential visit to Boundless Outdoors in Bell Heath. They are taking part in a range of outdoor and adventurous activities such as high and low ropes, bush-craft, grass sledging, orienteering, mining and quad pole to name a few. They are developing their independence and collaboration skills as well as their resilience and ability to take risks. We are so proud of each and every one of them. A huge thank you to Miss Poyner, Miss Jeavons, Miss Taylor and Mrs Bell for giving up time away from their families to take the children for this memorable experience.
