Learning

Children have been busy with their final big writes and summarising their learning from across the term and year across all subject areas.

Year 6 have been designing and making board games in maths to demonstrate their understanding of key mathematical concepts through application.

There has been lots of preparation ahead of our art galleries next week with children perfecting their paintings, drawings, sculptures and collages – they can't wait to share these with you.

Year 5 had a great day at King Charles experiencing a day in life at secondary school. They took part in a range of subjects such as languages, art and PE.

A group of year 4's attended a KPSA orienteering event at Chaddesley Corbett Endowed Primary School where they worked together to use maps to locate the cones around the school groups. Miss Goddard was so proud of their teamwork, communication and behaviour.

Year 4's celebrated the end to their year of trumpet lessons with a concert to their families. I was very sorry not to be there for this but have received reports of what a fantastic job all the children did in showing off their hard work and musical talents! Well done year 4!

Art Gallery

Monday 13th July - Nursery, year 3, 4 and 6

Tuesday 14th July – Reception, year 1, 2 and 5

The art gallery will open from 2:30-3:30pm and every child will have their artwork displayed. You are welcome to come at any point within that hour and walk around with your child. You will be able to take our child home once you have finished. Please sign your child out from their classroom.

Summer Fayre

Thank you so much to everyone who donated items for our summer fayre today. The stock is starting to build!

If you get the chance to have a clear out over the weekend and find any further items for our bric-a-brac then that would be great. We are also looking for donations of teddies and bottles. Thanks again in advance for your support.

A reminder to also save up your coins to bring next week as this really helps us with the cash flow on the stalls.

September 2026

If your child is moving to years 4,5 or 6, they will need a draw string bag for their locker. Rucksacks or other styles are not permitted as they damage the lockers due to the small size. Children in Nursery through to year 2 receive free fruit every day at snack time through the Government funded scheme. If children in years 3-6 would like a snack, we ask that they bring a healthy snack from home.
