Years 1-3 Class Winners – Year 3 Mrs Fox with 99.2% 3rd week in a row! WINNERS! We can't wait to hear how you choose to spend your prize money!
Years 4-6 Class Winners – Year 5 Mrs Morris with 98% 2nd week in a row!
Congratulations and keep it up!

Learning

Reception have continued their focus on the senses and this week's spotlight has been on sight. They have been busy using magnifying glasses and binoculars to observe details and describing the patterns they can see on their handmade kaleidoscopes.

Year 1 had a very special visit from the Falconry Centre and thoroughly enjoyed watching the birds of prey flying around our hall. They also got the chance to get up close and personal stroking these amazing birds! This is the inspiration for their current writing.

Year 4 visited a Hindu Temple and learnt all about the Hindu religion, culture and traditions. The children demonstrated our school value of respect were full of knowledge on their return.

Sporting Opportunities

Well done to the year 5/6 boys football team who competed at a tournament this week coming in 4th place – great achievement!

1SW took a trip to King Charles Secondary school today for a multi-skills events and demonstrated great effort and determination. Well done.

#HelloYellow

We have raised £226 for supporting World Mental Health Day on Tuesday. The children looked bright and cheery in their yellow clothes and accessories and had some really meaningful discussions around positive mental health and wellbeing through the activities in class and the NHS mental health team (WEST project) assemblies. Thank you to everyone who donated.

Open Day and Evening

We had a really successful open day and evening with many families joining us for tours of our school. A huge thank you goes to Arabella, Dylan, Oren and Phoebe from year 5 who wrote and delivered speeches to our visiting families during the evening. They also accompanied visitors on the tour, answering their questions and explaining about life at school. They were fantastic ambassadors for Comberton – well done!

If you know anyone who missed open day, we are still showing families around so ask them to contact the office.

School Photos

Today (Friday 13th October) all children attending school have had their school photograph taken individually and with siblings in school. We have used a new company this year called Star Vision Photography. Star Vision will post out sample pictures to the school by the end of next week for you to purchase online.

There will be another date organised for those pupils who did attend today, the school office will communicate that date to those parents.
