

Comberton Update

Friday 10th May 2024

Attendance

Whole School Attendance this academic year to date: 94% National: 94.6%

Years 1-3 Class Winners – Year 3 – Mrs Fox with 98.7% 2nd week in a row!

Years 4-6 Class Winners – Year 6 – Mrs Bennett with 96.8%

Congratulations and keep it up!

Learning

Year 5 have been getting creative with some gruesome writing – they have been making really careful language choices to terrify the reader!

Children in the learning hub created the most beautiful artwork of chameleon's today, showing real care and attention to detail with their drawing and very careful and deliberate colour choices, linking this work to personality traits and feelings.

Year 6 have been practising really hard ahead of their SATs next week. The children have made so much progress in all areas of their learning and we wish them all lots of luck for next week. They will be fuelled up with bacon and sausage sandwiches to start the days and lots of fresh air and breaks after the tests!

Path to Paris

Just a reminder about Path to Paris. As a school, we have signed up to a virtual challenge linked to the 2024 Olympic and Paralympic Games. Children can log physical activity to help our Comberton team move closer to Paris.

Any physical activity completed out of school counts: playing at the park, walking to/ from school, sports clubs, swimming lessons etc. We have until

28th June and Mr T will be adding everything done in school to help reach our goal.

Reception and Nursery Places September 2024

We still have a few places left in Nursery and Reception for September 2024. If you know of anyone who is still considering their options, then please do encourage them to contact the school for a tour.

Phonics Screening Check

Year 1 pupils and some identified pupils in year 2 have been sent home with a special phonics pack this week. Please check your child's book bag and have a go at practising with your child using the lollipop stick to test their sound knowledge. Not long now until the phonics screening check – any extra help for your child could really make a difference to their results.
