Comberton Primary Nursery does accept Tax Free Childcare and Universal Credit. If this applies to you, you need to inform Nursery of the scheme being used and the payment reference number. We will then allocate this on receipt of your invoice for the non-funded hours. If paying via Childcare Grant Payment Scheme (CGP), you are responsible to pay the remaining balance after CGP has settled the 85% which needs to be approved by you on the portal.

If you do not wish to pay for specific consumables, for example because you wish to provide your own, please make your nursery aware so that next steps can be discussed.
