Learning

It's been a busy week across school and lots of opportunities for children to take their learning outside. The learning hub made our first visit this academic year to Brook Court Care Home where they helped with a "make do and fix it" project alongside the residents. They painted and repaired their garden furniture. The children grafted hard and were so kind and caring in supporting the residents.

6TP also made a visit to the care home and this was in celebration of National Poetry day. The children confidently shared poems that they had written and poems they loved with the residents.

A group of year 2 pupils went to a multi-skills sports festival at King Charles Upper Site today where they took part in a range of sporting activities with other schools from across the Wyre Forest. The children were a real credit to the school.

Year 5 were out on an adventure to Bishops Wood as part of their historical learning about the Anglo-Saxons. They worked collaboratively to build dens and shelters as well as took part in a range of crafting activities. The staff were so proud of how the children conducted themselves.

Entrance to school

If you need to speak with the office or a member of staff, please ensure that this is either on the classroom door or that you come to the main office. We have had occasions in the mornings where parents are coming into school via the side door on the top playground and approaching the office from here. If your child needs to use the toilet before school, please also come via the main office and they will be able to let them pop in. We cannot have adults unaccompanied in the school building.

Hello Yellow – 10th October

Next Friday 10th October, we are asking for the children to come to school dressed in yellow in support of World Mental Health Day. The children will also take part in assemblies and activities to promote positive mental health.

Harvest Food Bank Donations

We are looking to collect donations for Kidderminster food bank for Harvest this year. We will be joining together with Brook Court Care Home to send our donations on 8th October. Some of the residents from Brooke Court will also be joining us for a Harvest assembly on this date. Please send any donations you are able to give from Monday 6th October.

Uniform

Please ensure you label all parts of your child's uniform. We have lots of un-named items in lost property so it's very difficult for us to reunite them with their owners!

Visiting Athlete

Some of you may remember that we had an Olympic Judo champion visit our school last year and lead a sponsored sporting event for the children which also raised money to enable us to get additional sports equipment in school. It was such an inspirational day that we are going to be running this for a second year. This year we have an Olympic cyclist coming to join us. Watch out for more information to come.

PIN YOUR POPPY

Get involved in this year's Remembrance Day commemorations by creating a poppy and placing it on the Unknown Tommy.

Pin your poppy by Monday 3 November to pay tribute to servicemen and women – past and present.

Please make sure the poppy is secured safely with a hook.
