

# Comberton Update

17.10.2025

**Comberton  
Primary School**

*A caring community  
for all to shine*

## Attendance

Years 1-3 Class Winners – Year 3 – Miss Timmins 98%

Years 4-6 Class Winners – Year 6 – Miss Poyner with 99.4%

Congratulations and keep it up!

## Learning

It's been a sporting week at Comberton! Year 4 impressed me with their samba dance moves, working together to choreograph motifs and phrases. A group of year 4's represented Comberton at a tag rugby festival today. The skills they have been learning in their PE lessons really paid off as they won every match by a wide margin and came first out of 23 schools – what an achievement! Mr T reported that their behaviour was excellent and their game knowledge was something to be proud of.

The whole school have thoroughly enjoyed their experience with athlete Kelly Murphy today. The children took part in the sponsored athletic activities with enthusiasm and stamina – ask them to show you the exercises they did! Kelly then led an assembly with the children to share her inspirational journey to becoming an Olympic athlete and competing at the Paris Olympic Games 2024, representing Ireland in the cycling team pursuit. The key message we all took away from this was “dream, believe, achieve.”

Please send all sponsorship monies in by next Friday 24<sup>th</sup> October at the latest.

## Parents evening

We are really looking forward to seeing you all for parents evening next week. If you haven't yet booked an appointment to see your child's class teacher, please do so as it's a lovely opportunity for you to see your child's work and hear all about how they have settled into their new year group.

## Flu Sprays

The school flu sprays for Reception - Year 6 have been rearranged to Friday 24th October.

## Book Fair

The school book fair has arrived at Comberton and will be open at the Monday and Tuesday Parent's evenings next week from 3.45pm - 5.15pm. There are QR Codes available for online payment, but Mrs Broadbent and Miss Knowles will also be on the desk for any cash payments.

## Lost Property

On Parents Evening the Lost Property Bench will be emptied and placed on tables in the entrance to the school hall. Anything left after the parents' evenings will be sorted into our spare stock in school.

## PQSM Award

We are delighted to share that we have achieved Primary Science Quality Mark, a nationally recognised accreditation that celebrates a commitment to developing excellence in science leadership, curriculum design, teaching and learning. A huge thank you to Mrs Ilyas (Science Lead) who has skilfully led the team to achieve this. There is a vast amount of work that goes into achieving this award and it is wonderful to get the well-deserved recognition for the excellent practice in science across the school.

## Parking

Another reminder about safe parking – there was a near miss outside school yesterday where a pupil was nearly hit by a car after one of our parents had parked on double yellow lines. Please park safely and respectfully at all times.

## Feedback

It is always lovely to share when we have positive feedback from visitors to our school. This week, the photography company made a real point of saying what a wonderful group of children and staff we have here and how well behaved the children were both in their class groups in the hall and around school when they visited different areas.

Kelly Murphy and her athlete team also commented today on how enthusiastic and well behaved all the pupils were both in the sessions and assemblies and that it was a breath of fresh air to visit Comberton! They also shared how great it was to see all the staff getting fully involved with the children.

Well done everyone!

**SLEEPING BEAUTY AT SWAN THEATRE, WORCESTER**

Comberton ptfa presents  
**Christmas Panto Trip**

Panto tickets funded by  
**PTFA**

Monday 15th December (Yr1, Yr2, Yr4 & Yr 6)
